PROGRAM DESCRIPTION

Leave it to the Hill Brothers to come up with a whole new approach to getting kids excited about learning! This brand-new celebration is just in time, with new songs and activities focusing on the relationship of math and science in our daily lives (“what does it have to do with me?”), math and science as a pathway to achievement (your students will love the “Inventors Rock” boogie), fun-filled adventures through mathematical functions (addition, subtraction, multiplication, etc.), and the importance of learning your facts cold (it makes everything else easier

POST-PROGRAM ACTIVITIES & RESOURCES

ARTIST BIO

The Hill Brothers began performing for children and families in 1977 for Young Audiences of Western New York. The group is now well known throughout New York, Pennsylvania, Ohio, New Jersey and beyond for its high quality arts-in-education concerts, performing hundreds of school programs each year along with professional conference addresses & workshops and larger children's & family events. They are now led by Judd Sunshine, who has been a Hill Brother since 1985.

Arts for Learning WNY's mission is to inspire, expand learning,
and strengthen our community through engagement with the arts.
